

Advisory

Dear All,

This is with reference to the Standard Operating Procedure (SOP) for handling the environment clearance violation cases dated 7th July 2021 and office memorandum dt. 28th January 2022 issued by the Ministry of Environment, Forests and Climate Change, Government of India.

Both these memorandums have been stayed by Hon'ble Supreme Court of India vide order dated 02 January 2024

Please also be advised that - All members MUST obtain Environmental Clearances (EC) for all their projects from respective SEIAAs / SEACs as per the EIA notification 2006 issued by the Ministry of Environment and also follow guidelines of respective state pollution control board (PCB) prior to commencing any work.

Regards,
Environment committee
