**Sub: Standard Schedule for Environmental Compensation (EC) Charges in Closure Directions issued by the Commission**

Madam/Sir,

Environmental Compensation (EC) Charges are levied by concerned Pollution Control Boards/Committee on polluting units in Delhi NCR where Closure Directions have been issued by the Commission for gross violations of extant Rules, Directions, Orders, Guidelines, etc. While processing the resumption of the activities in the units to whom such Closure Directions have been issued since inception of the Commission, it is noted that there are wide ranging state-wise & sector-wise variations in amount of EC charges being levied by the concerned Pollution Control Boards/ Committee in Delhi NCR for similar violation(s).

Further, subsequent to the issue of the Direction No. 76 dated 29.09.2023 violations related to DG sets are also required to be comprehensively covered in the schedule to enable concerned Pollution Control Boards/Committee to impose appropriate EC charges, based upon capacity of DG sets.
