

During GRAP Stage 3, the following activities are banned:

1. Earthwork for excavation and filling, including boring and drilling works.
2. Piling works.
3. All demolition works.
4. Laying of sewer lines, water lines, drainage, and electric cabling by open trench system.
5. Brick/masonry works.
6. Operation of RMC batching plants.
7. Major welding and gas-cutting operations.
8. Painting, polishing, and varnishing works.
9. Cement, plaster, and other coatings, except minor indoor repairs.
10. Cutting/grinding and fixing of tiles, stones, and other flooring materials, except minor indoor repairs.
11. Waterproofing work (excluding chemical waterproofing).
12. Road construction activities and major repairs.
13. Transfer, loading/unloading of dust-generating materials like cement, fly-ash, bricks, etc.
14. Movement of vehicles carrying construction materials on unpaved roads.
15. Any transportation of demolition waste.
16. Operations of stone crushers.
17. All mining and associated activities.
18. Restrictions on BS III petrol and BS IV diesel LMVs in specified districts.
19. Restrictions on Delhi-registered diesel MGVs of BS-III standards or below.
20. Prohibition of BS-III and below diesel LCVs entering Delhi (except for essential services).
21. Restrictions on inter-state buses to Delhi (except CNG/BS-VI diesel, and those with All India Tourist Permit).

These measures aim to control dust and air pollution during severe air quality conditions.
